Skyler is very good at conveying otherwise tricky material (few would argue this not true). Though as head TF he has to be very good at what he does, he teaches the material so clearly and profoundly that I would be willing to argue that section alone could provide you with a baseline–level of knowledge to do mildly well in this class.
Skyler was a great TF. I would have had him teach the entire class if possible.
Amazing, amazing TF. Skyler has been my favorite TF of the semester, of all my courses. He is genuinely very knowledgeable, kind, and passionate about teaching. He made section fun every week and made the class much more enjoyable with his lectures and jokes.
Absolutely bodacious TF! Best section leader
Skyler is clearly extremely knowledgeable in the field of machine learning, and I very much enjoyed going to his section to learn more about the math behind ML.
Skyler is wonderful! He was the best person to come to with coding errors, and he would strike a balance of helping and explaining how to avoid a similar mistake next time, helping us learn. His section was also so well–taught and he facilitated participation so well.
so helpful!! would be fast at times, but provided such good lesson plans.
So competent and such a great teacher.
This man took time out of his day to fix my computer. Absolute legend. Also a supersmart guy. Couldn't recommend more highly.
super unhelpful and condescending during office hours.
Skyler's sections saved me in this class. Actually insanely helpful. Go to his sections they are amazing.
Good, made the material more understandable!
The best!! Led amazing midterm review sessions and provided a much–needed sense of stability/calm for stressed students.
Absolutely amazing at generating enthusiasm for the topics we were learning. Provided very useful examples to hard concepts. Amazing! The Best! 10/10
Skyler is simply the best. Give this man a raise. Such effective + intuitive teaching!
LOVE SKYLER
Skyler was great. Really enjoyed and took a lot from his sections
